announces a NEW PROGRAM

"Junior Pals"
Social Skills Training
for
4 year old & 5 year old children

Junior Pals is a ten week, structured program designed to enhance the social skills development of young children. Fun and developmentally appropriate activities are provided to help build and strengthen positive & successful social relationships.

The Junior Pals Program targets:

- Sharing
- Following Directions
- Turn taking
- Joining in Play
- Social Thinking Skills
- Listening Skills
- Cooperation
- Dealing with Losing
- Self-Control
- Compromising & Fairness
- Dealing with Teasing
- Appropriate Self-expression
- Accepting Responsibility
- Dealing with Mistakes
- Reciprocal Communication
- Initiating Conversations
- Perspective Taking
- Good Sportsmanship
- Dealing with Disappointments

Junior Pals for Parents & Teachers

- In order for social skills to transfer from the group session to everyday living experiences, practice along with constructive feedback must occur in the natural environment (home and school settings).
- Parents & schools are provided with goals and reinforcement ideas to help increase the relationship success and social skill development of the child.
